Dear Mr. Ragsdale,

On behalf of our staff, board members, and clients, thank you and Housing Authority County of San Joaquin for your generous donation of \$500. Your gift will help us shelter and serve some of the most vulnerable members of our community: homeless youth and victims of domestic violence, sexual assault, and human trafficking.

People often come to us at their most desperate hour: lost, scared, hopeless, and shaken from trauma. At Women's Center-YFS, they find a safe haven, supportive services, understanding, resources, and hope for the future. For more than 40 years, we have responded to the needs of the community, helping individuals and families rebuild their lives.

Our staff of more than 75 employees operates 8 sites, 4 of them open round-the-clock, to serve adults, children, youth, and families throughout San Joaquin County. We reach more than 20,000 individuals each year, including more than 700 women, children, youth and men who stay in our shelters annually. We also work to raise awareness in the community to prevent – and ultimately end – violence and youth homelessness in our community.

Your gift helps us change and save the lives of those in need. With your support, we provide safety for women and children fleeing domestic violence, we give homeless youth a chance at a brighter future, and we help rape victims heal from trauma.

Because of your generosity, we are able to help more people find justice, peace, and hope.

We are grateful for your investment in our work. Your donations help to build stronger families and a safer community for all of us. If you are interested in learning more or touring one of our facilities, please contact me at (209) 941-2611. Thank you for your support.

Sincerely,

Krista M. Fiser, MA  
Interim Chief Executive Officer
